ADVANTAGES OF COOPERATION

- High markup for distributors (ability to make a good profit);
- Active marketing assistance in promotional activities;
- Products are well suited for transportation with heavy loads;
- Shelf life of our products 10-12 months.

ADVANTAGES OF COOPERATION

- Cross-product promotions increase sales of related categories (ice cream and cones, caviar and tartlets, condensed milk cakes and round wafer);
- Round cakes in flowpack (our difference from competitors) provide the best product safety during storage;
- The capacity of our production facilities allows us to satisfy any demand.
